That works for me. We'll have to discuss internally, soon hopefully, what the R10 role will be going forward. Lots of questions.

Appreciate your patience and understanding.

Thanks Wally,

So based on this, I'm going to let Paul and Rose know that questions regarding NPL listing status updates should be directed to you. I'll stay out of the coordination loop on this unless otherwise directed.

Sure. I think HQ hasn't quite decided anything more than the site is not being put forward for the next FR proposed listing. What's next is being discussed at HQ and I hear Greg G is talking to Calvin tomorrow. I know that Ms. Longoria is trying to setup the manager's meeting and now ODEQ is interested in hearing an update. I think rumors are flying and the bottom line is that we aren't quite sure what will be the final decision. There certainly will need to be a communications plan to accompany any decision as well. So right now, as we discussed earlier, is that HQ is still considering the path forward.

Thanks,  
Wally

Sounds good,

If it's alright with you, moving forward I will refer any and all requests for information regarding NPL listing to you. Both DEQ and YN have expressed a desire for a listing update – these requests are coming to Sean and to me.

Ken,

I don't think we will be ready to provide a meaningful update by this Friday. I will contact you later to discuss. In the meantime, please do not schedule a meeting until we have spoken.

Thanks,  
Wally

Hello Rose,

I was wondering if any progress had been made regarding the scheduling of the next Bradford Island Managers meeting. While the managers meeting is being planned, Paul Seidel and Bob Schwarz at DEQ have requested an update on the status of the NPL listing, suggesting this Friday after 2 pm. Would this timing work for you?

Thanks, Ken

Hello Sean / Ken -

A Bradford Island Managers call will likely be arranged soon, our last group discussion was in October 2019. Who within EPA management should receive information about this upcoming discussion? Sheryl Bilbrey participated in a couple key discussions with this group.

I'll be sure to include both of you in the planning for the meeting.

Thank you,  
rose

Hello. It has been more than 6 months since our last Bradford Island Managers  
discussion. I recommend a quick check-in and followup on:

- Highlights of current site activities;
- Status of the NPL listing; and
- Status of the MOU

If Eric and Leah would like to discuss / coordinate a meeting (as indicated below) for  
later this month that would be great. Otherwise, I am happy to send out a doodle poll.

Thank you,  
rose

Hello everyone,

I had said I would send out next steps/action items, so I apologize that  
this is delayed. Here are the next steps:

1. Meetings:
  - a. We decided the TAG meetings would continue on a  
monthly basis.
  - b. We decided the manager meetings would continue on  
a quarterly basis. Eric (ACE) to coordinate and/or  
coordinate with Leah (ODEQ) first.
2. MOU:
  - a. Everyone needs to look at the MOU and determine if it  
is signable before the next managers meeting. Please  
coordinate with your respective counsel for your  
recommendation.

Anything I missed?
